

PRODUCT INFORMATION

Product Description	Normal PU Glove Grey
Product Code	5106-0075 (S), 5106-0063 (M), 5106-0029 (L)
Description	Seamless Knitted Nylon Gloves with Polyurethane Breathable Wet Coating on each palm
Material	100% Textured Nylon 280 deniers 13 gauge
Packing	300 prs/carton

PHYSICAL DIMENSIONS

Size (mm)	S	M	L
Length of Glove (From top of middle finger to cuff end)	210	220	230
Palm width (±5mm)	85	90	90
Cuff (±5mm)	50	60	60
Weight (±3 gr)	18	20	23
Color of Cuff (Wrist Thread)	White	Green	Grey

PROPERTIES

- Polyurethane coated in the palm
- Polyurethane coated provides a super grip and abrasion resistance, and protects hands from acid and chemical residue.
- Protects handled products from sweat and dust.
- Urthane coating is also non-slip, and facilitates delicate assembly work
- The backs of the gloves are not coated allowing the hands to breathe and prevent clamminess and sweating
- Optimum comfort and dexterity
- Low linting
- Seamless

APPLICATIONS

- Delicate and precise operations such as assembly jobs with electronics, semiconductors, micro-processors and compact disks
- General assembly
- Component handling
- Light engineering work
- Maintenance or micro-mechanical tasks
- Pharmaceutical processing
- Inspecting precise parts and articles etc
- Agriculture and gardening
